A monthly Cody Partnership update

Please Pray!

We're now in our 5th year at Cody High School, and this year is the most challenging one yet. The school is still very short-staffed, the district-mandated changes have taken away some key leaders and caused extra frustration for students and staff, and the principal has been given a lot more responsibility in the district. We're so thankful that we have a great relationship with Principal Parker, and many other staff, along with the students.

Why has God allowed the difficulties this year? He knows what's best, and we know that He's working it all for good. As you pray for Cody High School, please pray that Jesus will be lifted up, and that He'll bring His peace to the hearts of those in the school and the community.

Cody's 2018 Homecoming Court

Bakers Needed

Every Thanksgiving we show our appreciation to the staff at our Cody Partnership schools by giving them homemade bread. You can help by baking mini loaves of cranberry, pumpkin, banana, or other holiday bread. Each loaf should be individually wrapped and labeled with bread type as well as allergy information like "contains nuts" or "gluten-free".

If you'd like to bake for our Cody Partnership schools, sign up at oakpointe.org/cody. Bring loaves to church on November 17 or 18.

Good News For Mann

Mann Learning Community is an elementary school in Detroit supported by the Oak Pointe Church Cody Partnership. We mentor students, participate in Grow Cody Rouge and other special events, and pray for the Mann staff, students, and families.

On September 19 we had the pleasure of serving pizza and juice at Mann's open house while parents and students met their new teachers and learned about school activities. There were over 200 people at this event, and many of them signed up their children to be mentored by Oak Pointe mentors!

This fall, we'll also help with Good News Club, a ministry of Child Evangelism Fellowship, which will meet at Mann on Tuesdays starting in November. It's an interdenominational

program for five to twelve year-olds featuring a Bible lesson, songs, memory verses, and games. Over 40 parents have already registered their children to participate in Good News Club!
