

## Numbers Quiz

1. What does the Hebrew title “Bemidbar” for the Book of Numbers mean?
  - a. Countings
  - b. In the Wilderness
  - c. National Census
  - d. Following God
2. Why does God instruct Moses to count the people twice in the Book of Numbers?
  - a. So He could properly divide up the land between the 12 tribes.
  - b. So He knew how much food to provide for the people.
  - c. So Moses would know that the first generation had died off and the second generation was ready to enter the Promised Land.
  - d. Because God is a God of order, not the author of confusion.
3. Why did a one week journey take 40 years to complete?
  - a. The Israelites had to learn how to walk in submission to God and live in the presence of God and his blessing.
  - b. Moses was directionally challenged.
  - c. The Israelites had grown fond of camping out in the desert.
  - d. God had to wait until the people inhabiting the Promise Land were weak and vulnerable so Israel could defeat them.
4. Why did Joshua and Caleb respond differently than the other 10 spies who went into the Promised Land?
  - a. They did not have the experience, knowledge, or maturity of the other spies.
  - b. They believed God’s promises and measured the size of their enemies against the size of their God.
  - c. They wanted to be different.
  - d. They saw this as a way to impress Moses and God and to improve their status in the community.
5. What lessons do we learn from the New Testament regarding the Book of Numbers?
  - a. We need to keep an accurate account of how many people attend church and where they live.
  - b. We need to make sure we listen to talking donkeys and never underestimate the power of livestock.
  - c. We need to follow all the rules perfectly so that God does not punish us.
  - d. We must not harden our hearts to God’s voice and isolate ourselves from true spiritual community.
