### Proverbs: Wisdom on Work

#### Ice Breaker

- ◆ Share one of the messiest jobs you've ever had.
- ◆ Share a job that was significant to you.
- ◆ Share a job that impacted someone else by your efforts.

#### Introduction

One of the main themes of Proverbs is wisdom regarding work.

According to Proverbs, the wise worker trusts in God. Trusting in God is having faith in His promises to provide, protect, and give us His Presence. It is impossible to trust God when we hold tightly to our plans, our money, our time, and our abilities. When we release our attempts to control and move as God directs, we take a step towards trusting Him. Today you have a choice to trust in Lord, to delight yourself in Him, to commit all you do to Him, and be still before Him.

#### Read and share

As you read each passage, share with the group how you believe this relates to how we should work.

- ◆ Colossians 3:23
- ◆ Psalm 37:4-7
- ◆ James 2:14-18
- ◆ Proverbs 16:3
